Re: United States v. William Pascal, 13 Cr. 600-5 (ER)

Dear Judge Ramos:

The Government writes to request that the defendant's May 8, 2020 violation of supervised release conference be adjourned by approximately 60 days. In early April, the defendant underwent surgery for an injury and is now recovering at a physical rehabilitation facility. The defendant anticipates another surgery in the coming weeks. In addition, the defendant has an appearance set in his state case in early May. A 60-day adjournment will enable the defendant to recover from his injuries and make progress in his state case. The defense does not object to this request.

Respectfully submitted,

GEOFFREY S. BERMAN
United States Attorney for the
Southern District of New York
